**Additional Notes:**

1. All dollar amounts above are in [US Dollars].
2. Notional Net Profit means the notional value that can be attributed to the representative value of the net positions of your Trades for each Trading Period.
3. The Profit Consistency Rule applies to all trading activities during the Assessment Period and/or Trading Period.

For the purposes of this Schedule, to satisfy the Consistency Rule:

(a) if only Assessment Phase 1 (Evaluation) applies then no single trade can account for 33% or more of your total Required Return or total Target Return; or

(b) if both Assessment Phase 1 (Evaluation) and Assessment Phase 2 (Verification) applies then no single trade can account for 33% or more of your total Required Return or total Target Return.

4. The Lot Size Consistency Rule applies to all trading activities during the Assessment Period and/or Trading Period. For the purposes of this Schedule. To satisfy the Lot Size Consistency Rule your average trade size is used to calculate your trading range. The range is determined by adding 100% to your average trade size to determine the maximum value and subtracting 75% to determine the minimum value. Note trades are aggregated when placed within 30-second window into one position for both profit and volume consistency.

a) 33% profit consistency rule: a single trade should not represent more than 33% of the profit being requested. This is to avoid traders going "all in" before news or gambling, rather than applying sound risk management. This also assists us in managing risk as a company and building a more sustainable risk modelling long term.

5. The Assessment Period and Assessment Criteria may comprise either 1 or 2 parts. If it comprises 1 part, then you must satisfy the stated Assessment Criteria within the stated Assessment Period. If it comprises 2 parts, then you must satisfy the requirements of Phase 1 (Evaluation) to be eligible to proceed to Phase 2 (Verification) and you must satisfy the requirements of Phase 2 (Verification) to satisfy the Assessment Criteria for your selected Assessment Program.

6. All Access Fees published in this Schedule of Assessment Programs and Fees are exclusive of relevant taxes or other statutory or regulatory costs. You are responsible for paying any such amounts and the Company may withhold or recover such amounts from you in accordance with clause 14.

7. Hedging Between Accounts Definition: Using 2 different trading accounts to open opposing trades on the same instruments.

8. Prices as per our website [www.infinityforexfunds.com](http://www.infinityforexfunds.com)
